

# EYRE PENINSULA DESALINISATION PLANT

WSP

---

**Concept design of the Sleaford desalination plant to be located on the Eyre Peninsula.**

**DATES:** 2018 | **LOCATION:** Eyre Peninsula, SA

## OUR INVOLVEMENT

Capisce Qs provided a concept estimate based on the concept designs of the desalination plant. The estimate included the construction of the desalination plant, balance of said plant, enabling infrastructure and indirect costs.

## VALUE ADDED

Utilizing a wealth of experience working with SA Water, Capisce Qs were able to collaborate with all stake holders to prepare costs for a range of different options to be presented for endorsement to construct.
