

WATER QUALITY IMPROVEMENTS

WSP / (H2O)

Upgrade of the Myponga, Barossa and Hope Valley water treatment plants including upgrades to plant equipment and buildings.

DATES: 2018 | **LOCATION:** Myponga, Barossa & Hope Valley SA

OUR INVOLVEMENT

Capisce Qs provided cost estimation on the design and construction of the upgrades on each of the three water treatment plants.

VALUE ADDED

Capisce Qs utilised practical experience and logic to provide total budget costs reflective of the scope that had to be captured through collaboration with the team.
